

Sharing and Caring

The Sharing and Caring group, which is an extension of the Broadway Chapel, was formed some 6 or 7 years ago. This group reaches out to owners and renters in a time of crisis.

There are many volunteers to help us strive here in Carriage Manor to fulfill the meaning of an extended family during those most difficult times. Not only volunteers, but Carriage Manor residents are there for neighbors and friends Sharing and Caring where ever they are.

Among many ways we can assist, is to drive you to the Dr., sit with your loved one while you run an errand, just visit with you, pray with you, sometimes go to hospitals or rehabs, and we have resources available should there be that need. We hope that all of this helps to ease the heart, mind and body during those crisis times.
